Almighty ever-living God, who in the abundance of your kindness surpass the merits and the desires of those who entreat you, pour out your mercy upon us to pardon what conscience dreads and to give what prayer does not dare to ask. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever.

By assisting devoutly at Mass, we render the sacred humanity of Our Lord the greatest homage. He makes up for many failings and omissions. We should pray like this at the beginning of Mass: **“O Most just God, with contrite heart and steadfast hope, I lay my sins upon this sacred altar, in order that they may be consumed by the flames of Your divine Charity, purged away by the Precious Blood of Jesus, and fully atoned for by His infinite merits. Amen.”**

## **Discovering Our Faith**

As you know the parish provided a wonderful source of authentic Catholic information through FORMED., the online subscription service.

Check out the interview with the great Jason Evert, the apostle of Saint Pope John Paul II Theology of the Body teachings. See the interview with Jason Evert on FORMED (the Chris Stefanick Show) on the topic of gender dysphoria that may be of interest to parents and children in our parish family. [Gender Theory vs. TRUTH | Chris Stefanick Show - Chris Stefanick Show -](#)

[FORMED](#) Some interesting facts noted: Historically, 0.1% of the population traditionally identified as transgender. Now, a recent study in a major city showed that 9% of teenagers do not identify with the body of their birth.

In the UK they've seen a 4,400% increase in gender dysphoria among teenage girls in 10 years. In 2007 there was one transgender clinic in the U.S.; now there are 300, many of which a young person can go into without a doctor note or without seeing a counselor and leave with testosterone treatment. In Oregon you can go into a transgender clinic at 15 years old and get a mastectomy without a parents note. Questioning any of this can cause a medical profession to lose their license so the response can be fear.
